

Dear (name),

I hope this card finds you well!

Today at Mass our church prayed as a community for Christians in the Middle East who are being persecuted and even killed for their faith in God.

In case you wanted to pray it too, I'm including a copy of the prayer we offered. These are turbulent times in our world, but I'm leading heavily on God to see me through. Just as there is evil in the world, there is God's greatness to overcome.

May God bless you and keep you safe,
